

**The United Kingdom type rating and licence endorsement lists constitute the class and type of aircraft categorisations in accordance with FCL.010 (category of aircraft, class of aeroplane, and type of aircraft) and FCL.700 of Annex I (Part-FCL) to UK Regulation (EU) No 1178/2011, as well as in accordance with GM1 FCL.700. Furthermore, the lists provide aircraft-specific references relevant to flight crew qualifications and air operations.**
