Dear [REDACTED]

Thank you for your request of 5 January 2023, for the release of information held by the Civil Aviation Authority (CAA). For reference your original enquiry was as follows:

I therefore look to you and ask you to provide me with a map that delineates the aerodrome known as Aberdeen Airport as defined in Section 82(1) of the Airports Act 1986 and Section 105(1) of the Civil Aviation Act 1982.

Your request has been considered in line with the provisions of the Freedom of Information Act 2000 (FOIA). I can confirm that following a review of all held information it has been determined that the CAA holds no information within scope of your original request.

It is not within the remit of the CAA to hold boundary maps for certificated aerodromes; rather we only hold maps for [licenced aerodromes](#). Boundary maps can, however, be obtained from the [NATS AIP](#) website. From this freely publicly available resource the attached map has been located.

If you are not satisfied with how we have dealt with your request in the first instance you should approach the CAA in writing at:

FOI.Requests@caa.co.uk

The CAA has a formal internal review process for dealing with appeals or complaints in connection with Freedom of Information requests. The key steps in this process are set out below. A request for an internal review should be submitted within 40 working days of the date of this letter.

Should you remain dissatisfied with the outcome you have a right under Section 50 of the FOIA to appeal against the decision by contacting the Information Commissioner at:-

Information Commissioner's Office
FOI/EIR Complaints Resolution

If you wish to request further information from the CAA, please use the form on the CAA website at <http://publicapps.caa.co.uk/modalapplication.aspx?appid=24>.

Yours sincerely
